Like most teenagers, Peter is trying to figure out who he is and how he got to be the person he is today. As Peter discovers a mysterious briefcase that belonged to his father, he begins a quest to understand his parents' disappearance – leading him directly to Oscorp and the lab of Dr. Curt Connors, his father's former partner. George Clooney   **actor**

George Timothy Clooney

An American actor, film director, producer, and screenwriter. He has received three Golden Globe Awards for his work as an actor and two Academy Awards—one for acting and the other for producing. Clooney is also noted for his political activism and has served as one of the United Nations Messengers of Peace since January 31, 2008. Born in Lexington, Kentucky, as son of Nick Clooney, a TV newscaster of many years, who hosted a talk show at Cincinnati and often invited George into the studios already at the age of 5. Avoiding competition with his father, he quit his job as broadcast journalist after a short time. Studied a few years at Northern Kentucky University. Failed to join the Cincinnati Reds baseball team. He came to acting when his cousin, Miguel Ferrer, got him a small part in a feature film. After that, he moved to L.A. in 1982 and tried a whole year to get a role while he slept in a friend's closet. His first movie, together with Charlie Sheen, stayed unreleased but got him the producers' attention for later contracts.
